

Hodnotenie reprezentačných trénerov

Názov podujatia	Seamaster 2019 ITTF Challenge Spanish Open, Guadalajara (ESP)
Zhodnotenie celého turnaja, VT, KT ako celku, odporúčania	<p>Guadalajara was very nice town. We didn't have any problems with transport. Our hotel was pretty good and it was approximately 20 minutes far from hall. We travelled by shuttle bus. One day before U21 main draw was little problem because shuttle didn't come so we had to go by taxi. Lunches and dinners were at hall.</p>
Hodnotenie individuálnych výsledkov hráčov a súťaží	<p>Grigelová She wasn't in the best form, but she fought how she could. She didn't pass in women's singles, but i think one match she could win. In second match she did bad step and something happened to her ankle, but nothing bad, she continued but not 100%. In U21 she won two close matches and passed group. In main draw was her oponent too good.</p> <p>Puchovanová Her women's group was very hard and she couldn't win any match, but her performance was good. In U21 passed to main draw after some hard mathes and she fought till the end and showed very nice performance mostly against Cakol. In main draw her oponent was too good.</p> <p>Jurková She showed very nice performance and she passed her group from second place. Little pity was loss against Mantz. It was verry close match, and she fought till the end. In preliminary she lost against Morita from Japan, but Eva became lucky looser. In main draw she played against the first seeded Kato. Her oponent played very well and Eva couldn't play her game.</p> <p>Uríková She passed from women's group. She showed very nice performance, mostly against Christensen in deciding match. Then she lost in preliminary match, but her oponent played well and Monika couldn't play her game. In U21 was her group too good and she couldn't win any match.</p> <p>Balážová She had hard beegining against Yamada but she could win in very close match. Then she showed quite good performance and she was unstoppable till quterfinals. She lost in very close match in battle for medal.</p>
Hodnotenie správania, prístupky voči disciplíne, pocitové zistenia a upozornenia trénerov, resp. vedúceho výpravy	<p>We didn't have any problems at all. Every girl had won some matches and i am very happy for it. We enjoyed time together and we were good team.</p>
